Launching the “Rise Together” Education Program

RISE TOGETHER

We are stronger together!

As our great President Lincoln once said, “A house divided against itself, cannot stand.” Continuing with these wise words in mind, I am pleased to announce the “Rise Together” initiative. This initiative is intended to foster learning and understanding between this administration and you, our amazing constituents, the heart and soul of CCR. Without you, we wouldn’t be here. “Rise Together” is an education effort that will seek to show the care and effort CCR has put into advancing YOUR goals and protecting YOUR rights.

To improve upon the state of our organization, my office will seek to break down everything we’ve done and will continue to do for you all. This effort will include outreach efforts as well as graphics, videos, and statements from numerous individuals and offices to define CCR’s policies so they are more understandable. At the end of the day, we are fundamentally here to serve you, and this is one step in doing and proving so.

I hope you will join me in this good faith effort of understanding and education. Together, we can all rise to be our best selves and attempt to understand perceived differences, real and imaginary. This is my challenge to you: learn more, understand more, and do more. It’s morning in CCR.

Dutifully yours,

Dylan Martin, Communications Director
